

Baptism: We've Got It Right... and Wrong

Baptism is an important sacrament in the Christian faith, but do we really understand what it means? In this book, author [Author Name] argues that we have misunderstood the meaning of baptism and that it is time to return to the biblical understanding of this important practice.

Baptism—We've Got It Right... and Wrong: What Baptists Must Keep, What We Must Change, and Why

Drawing on Scripture, history, and theology, [Author Name] shows that baptism is not simply a symbolic act that washes away our sins. Rather, it is a transformative event that unites us with Christ and incorporates us into his body, the church. Baptism is a sign of our faith, a commitment to follow Christ, and a foretaste of the resurrection to come.

[Author Name] also addresses some of the common misconceptions about baptism, such as the idea that it is only for infants or that it is necessary for

salvation. He argues that baptism is for all believers, regardless of age, and that it is not a substitute for faith but a way of expressing our faith.

This book is a must-read for anyone who wants to understand the true meaning of baptism. It will challenge your assumptions and deepen your understanding of this important sacrament.
