The world is changing at an unprecedented pace. Technology is advancing, the economy is globalizing, and the climate is changing. These changes are having a profound impact on our lives and our work.

For many people, these changes can be unsettling or even frightening. We may feel like we're losing control of our lives and our world. We may wonder if we have the skills and knowledge to succeed in this new environment.

But it's important to remember that change is also an opportunity. It's an opportunity to learn new things, to grow our skills, and to create a better future for ourselves and our families.

*Getting Comfortable Now That Everything Is Different* is the definitive guide to navigating the challenges and opportunities of our rapidly changing world. This book will help you:

- Understand the forces that are driving change in the world
- Identify the skills and knowledge you need to succeed in the new economy

- Develop a plan for managing change in your life and work
- Create a more fulfilling and resilient life in the face of uncertainty

*Getting Comfortable Now That Everything Is Different* is essential reading for anyone who wants to thrive in the 21st century. This book will help you make sense of the changes that are happening around you and empower you to create a better future for yourself.
