The Minecraft recreation of the Shire is incredibly accurate, and it captures the beauty and charm of the original location. The builders have even included small details, such as the hobbit holes and the Green Dragon Inn.

Rivendell

Rivendell is the home of the elves, and it is one of the most beautiful places in Middle-earth. Rivendell is a hidden valley, surrounded by towering mountains and lush forests.

The Minecraft recreation of Rivendell is just as stunning as the original location. The builders have used a variety of blocks and materials to create a realistic and immersive environment. The buildings are intricate and detailed, and the waterfalls are simply breathtaking.
