### HOME KITCHEN APPLE BUTTER

- 1½ qts. cider
- 8 firm apples (approx. 8. ozs. ea.)  
cored, peeled (optional) and cut  
into quarters.
- 1 cup or less brown sugar, according  
to taste and sweetness of apples.
- 1 tsp. cloves
- 1 tsp. cinnamon
- ½ tsp. allspice
- ½ tsp. salt

Boil the cider rapidly, uncovered, for 30 minutes to reduce by half. Pile apples into slow cooker; they should nearly fill the pot. Add the cider, turn heat to three. Cook about eight hours, using a wooden spoon to stir and break up apples every half hour or so.

After about 4 hours, add the sugar by parts, tasting for sweetness. During the last half hour, add spices and salt. When apples have cooked to a heavy mass, pass the mixture through a food mill. Keep in jars in refrigerator.
