The book is divided into four sections: "Identity," "Community," "History," and "Culture." Each section features a variety of voices, from scholars to activists to artists, who share their unique perspectives on the African American experience.

In the "Identity" section, writers explore the complex and often contradictory nature of African American identity. They discuss the ways in which race, class, gender, and sexuality shape their sense of self.

In the "Community" section, writers celebrate the strength and resilience of African American communities. They describe the ways in which these communities have provided support and sustenance to their members.

In the "History" section, writers examine the long and painful history of racism and discrimination in the United States. They explore the ways in which this history has shaped the lives of African Americans.

In the "Culture" section, writers celebrate the rich and vibrant culture of African Americans. They discuss the ways in which music, art, literature, and dance have expressed the African American experience.

Voices From And To African American Communities is a powerful and moving collection that offers a unique and valuable perspective on the African American experience. It is a must-read for anyone who wants to understand the complexities of race and racism in the United States.
