Costumes

* Choose a costume that is not too revealing or too scary. * Make sure your child's costume fits well and is not too loose or too tight. * Avoid costumes with long, flowing fabric or sharp objects. * If your child is wearing a mask, make sure it fits snugly and does not obstruct their vision.

Trick-or-Treating

* Only trick-or-treat in well-lit areas. * Stay in a group with friends or family. * Do not go into strangers' homes. * Only accept candy from people you know. * Inspect all candy before your child eats it.

Parties

* If your child is attending a Halloween party, make sure you know the host and the other guests. * Stay with your child at the party. * Do not let your child drink alcohol or take drugs.

Driving

* Be extra cautious when driving on Halloween night. * Look out for trick-or-treaters and other pedestrians. * Slow down and be prepared to stop suddenly.

Other Safety Tips

* Keep your child's name and address on them in case they get lost. * Set a curfew for your child and make sure they are home by that time. * Talk to your child about Halloween safety and what to do if they are in danger.

Halloween can be a fun and safe holiday for kids if you take some simple precautions. By following these tips, you can help keep your child safe and have a happy Halloween.
