Embark on an extraordinary journey to the ancient city of Nineveh, where a group of young Iraqi archaeologists uncover a hidden world of secrets and dangers.

In "Words in the Dust" by Trent Reedy, we follow the adventures of Sarah and her team of young Iraqi archaeologists as they embark on a mission to

excavate the ancient city of Nineveh, once the capital of the mighty Assyrian Empire.

As they dig deeper into the ruins, they uncover a hidden world beneath the surface, a world filled with forgotten secrets and unimaginable dangers. They encounter ancient curses, cryptic inscriptions, and a labyrinth of underground chambers that lead them to a long-lost treasure.

But their discoveries come at a price. The site is not without its guardians, and the team soon finds themselves caught in a deadly game of cat and mouse with a ruthless antiquities dealer who will stop at nothing to claim the treasure for himself.

With each step they take, Sarah and her team must confront their own fears and the limits of their courage. They must learn to trust one another and to rely on their own resourcefulness if they want to survive and uncover the truth that has been buried in the dust for centuries.
